7. Committee Reports
 - a. Building
 - i. Storyhour Room: Protechs have completed the first phase of our demolition. Tremco came in and completely removed the whole downspout from the side of our building. There was an additional joint that was not sealed from the first construction, which has been sealed and we have seen about 90% of the moisture go away after the last big rains we had. Tremco is hoping the rain will hold off and they will be able to do a water test on the walls and roof, since the floor is still damp, on Saturday. If not, they will come in early next week.
 - ii. Building Concept: Meetings will be held throughout September and plans continue to develop.
