Together you need to find hidden clues, solve puzzles, and use your logic and observation skills to figure out the combinations to unlock the box that holds the key to get out of the room. It might not be easy but it will be a lot of fun! Are you up to the challenge? If so register by March 15 for a guaranteed spot in this program. Space is limited!

Renovation in 2020
@ the Main Library
The Main Library will be undergoing a renovation starting in January 2020. The project will be completed in several phases, starting with the 2nd floor and west side of the building. The Teen Zone section has been moved to the main part of the library, near where the public-access computer stations are currently. If you need help finding the location of books and materials during this time, please stop by a desk and ask a staff member for assistance. We are happy to help. We are looking forward to exciting changes in 2020.
