Community Conversation & Library Survey

The library is looking for input from the community to help with it's strategic plan for the next five years. There is one more Community Conversation open that we'd love for people to attend. It's on Monday, May 22 from 6-8 pm at the Ossian Branch Library. The conversation will be facilitated by Erin Prible, the Executive Director of the Wells County Chamber of Commerce.

Please consider stopping by to share with us what we can do to improve library services for everyone and **also what we are doing well and you'd like us to** continue over the next few years.

If you miss the conversation, you can also fill out a **survey that's linked on the homepage of our website** or go directly there:
