

We, the director search committee, would like to recommend Sarah MacNeill as the new director of the Wells County Public Library upon the retirement of Stephanie Davis. Sarah earned her MLS from IUPUI and holds a level 2 certification. She has been serving as the co-head teen librarian for the past 3 1/2 years. She has also had a variety of other public library experience and shows a lifelong passion and belief in all that libraries have to offer.

We recommend that Sarah begin on January 24th to transition with Stephanie until Stephanie's retirement date. We recommend she receive a starting salary of \$60,000/year with benefits outlined in the employee handbook. The committee further asks that she participate in the mentor program through the Indiana Library Federation for her first year of employment as the director.
