Renovation in 2020

@ the Main Library

The Main Library will be undergoing a renovation starting on January 6. The project will be completed in several phases, starting with the 2nd floor and west side of the building. There will be no additions to the building; the existing space will just be reconfigured to allow for a better flow to the space that meets the current needs of our community. This includes:

- Expanded children's area
- Emergency exit in the Children's Room
- Nursing room
- More space in the Teen Zone area
- Improved noise management
- Additional study rooms (some that hold 8-10 people)
- Public restroom upstairs
- More tech friendly gathering spaces throughout the building
- Improved flow throughout the building
- Necessary roof repairs
- And other exciting changes to the space

At this time, the library expects to remain open during the entire renovation process and there will still be regular story sessions and events going on for children, teens, and adults. Library staff members have been working from October to December to rearrange shelving, furniture, and office spaces into the areas that will be part of phase two for the construction process. After phase one is complete, there will be some shifting back into the newly renovated areas so construction can proceed to the other parts of the building.

During this time, the library staff just asks for your patience as construction crews work to improve the space. Staff members are happy to help assist you in locating the temporary location of a book, movie, or other item. Despite the construction noise, there should be some study rooms that still provide a mostly quite space if needed as well.

Participate in our annual Winter Reading challenge during the **month of February**.

Adults and Teens: Join our Winter Reading challenge and help us donate books to hospitalized children via the Kate's Kart organization. It's super easy to participate. Sign up at the library or online at wellscolibrary.org anytime during the month of February. You'll get a piece of chocolate or pen for signing up and if you read at least 300 pages you will get a coupon for a free mini Blizzard provided by Dairy Queen and a chance to win a prize basket. Then if together as a group we can read the total number of pages listed in the chart on the right, we will get to donate books to Kate's Kart. The more we read, the more we will donate, so every page read helps us reach our goal!

- 100,000 pages read = 25 books donated
- 200,000 pages read = 50 books donated
