RE: Concrete Pad w Charge Station

Mrs. MacNeill,

We are pleased to provide a proposal for the Ossian Branch Library. Our scope includes:

- 4" concrete slab with welded wire mesh
- Decorative bench (owner supplied) install with concrete anchors
- Landscape Forms – Charging Station w/ Accent Light
- New electrical service from existing panel to charging station
- Restoration of surrounding surfaces affected by our work

**Total: \$11,960.00**

We look forward to working with you!

Warm regards,

Caleb Maldeney
