Dear Sarah & Team,

Thank you for your recent donation to Kate's Kart. We truly appreciate your generosity and support that helps us continue to bring joy & comfort to children at Bluffton Regional Medical Center, and beyond.

We are filled with gratitude for the support of so many that has allowed us to touch the lives of over 435,000 hospitalized children and families with the gift of a new book since our first Kart ran in 2008. Our fleet of Karts is now up to 42 in 25 hospitals across 15 counties, with our team of volunteers and countless hospital staff giving away an average of 4,000 books every month. This is only possible because of the generous contributions from individuals like you.

Whether it's a parent bonding with their baby in the NICU, a toddler feeling the comfort of home in the ER, or a teenager being transported to world of fun, books are a simple, yet powerful tool that bring a much needed diversion in the hospital.

*"Our son is medically fragile and admitted to the hospital and/or ER several times a year. Every time we visit the hospital, we receive a Kate's Kart book. It is an amazing bright light in the midst of our most anxious and frightening times." - Daniel B.*

*"Kate's Kart gave us light in the darkness while in the NICU last year. This year during our hospital stay it was a great distraction for our son who now has a love of books. We will forever be grateful for Kate's Kart!" - Amanda D.*

We invite you to find us on Facebook or Instagram, or visit [www.kateskart.org](http://www.kateskart.org) for more information. Thank you for making a lasting impact on hospitalized children and families.

Sincerely,

Krista Layman, Director
