One Book One County

One Book One County

All ages: One Book One County is a community read program for Wells County held in September and October every year. The program is designed to create a countywide discussion by encouraging all residents to read the same book. This year's title is "Frog and Toad Together" by Arnold Lobel.

Check out a copy
at the library or
on Libby!

About the Book: "Frog and Toad are best friends—they do everything together. When Toad admires the flowers in Frog's garden, Frog gives him seeds to grow a garden of his own. When Toad bakes cookies, Frog helps him eat them. And when both Frog and Toad are scared, they are brave together." - book jacket

School Library Journal called this story collection from Arnold Lobel "a masterpiece of child-styled humor and sensitivity." Winner of the Newbery Honor award, this classic story about friendship is a Level Two *I Can Read* book that is geared for kids who read on their own but still need a little help.

Events for this program have been made possible through donations from the Friends of the Library.

1,000 Books Before Kindergarten

The 1,000 Books Before Kindergarten program at the library was started as a way to help parents prepare their children for one of life's big milestones: kindergarten. Myriad research projects have proven over and over that children get ready to read years before their formal education. The most effective way to get your child ready to learn is to read to them.

Children that participate in the program will track their reading in a binder or via an app. Prizes are awarded after reading each 100 books on the way to 1,000 books read. Stop by the Children's Room at the Main Library (Bluffton) or the Ossian Branch to get more info or visit wellscolibrary.org/1000-books-kindergarten.
